Information about the neighborhood and city	<ul style="list-style-type: none"> - Location: Our secondary school is in Alhaurín de la Torre, a beautiful town located between the metropolitan area of the city of Málaga (with an important international airport and a rich cultural and social life) and the Valle del Guadalhorce (rural area with nice villages in the middle of nature), and next to the Costa del Sol (a coastal area very popular with tourism). So here you can enjoy both the facilities of the big city (in the town or at a pretty short distance in Málaga) and the peace of a quiet place, with plenty of supermarkets and shops and cultural and leisure activities to enjoy, to learn or to do your favourite sports. - Tourist information link of Alhaurín de la Torre Town Hall: https://alhaurindelatorre.es/conoce-alhaurin/ - Images of the town: link1 or link2
